Elliot was quite refreshing in the 'Alice in Country of Diamonds' game! Getting the chance to see a new face for him made me happy! ^o^
Full throttle Carrot love as always!
Say ah~n!

Carrot cake!
Carrot bavarois!
Carrot cookies!
Carrot glaze!
This is true happiness~
Elliot's love for carrots hasn't changed
What about you, Alice?
bite
Ahh~
In bliss
These cookies are so fluffy and rich in carrot flavor!
Blood, try some!
No need.

Here you go.
Say ah~n
pop
blush
!!
Tasty, right?
Elliot! I can eat by myself!
How about one more bite?
That's not the issue! Ah, um...
glare
Are you saying you won't eat the carrot cookies that I recommended?
That's not-
toss

!!
Sta~~~re
thump
Just when did these two get so close,
Hmm?
We don't have any specific interest in an outsider lady, but this is kinda annoying.
You guys sure are lovey-dovey in front of other people.
If you're jealous just honestly admit it.
Not that I'd give any to you if you did!
DON'T BE STUPID! WE DIDN'T FREAKIN' ASK YOU TO SHARE YOUR CARROT CRAP!
It really is embarrassing...
munch

The Elliot from the Country of Clover was also a person who showed his feelings openly,
When he's so straight-forward I don't know what to do.
...so he made me feel embarrassed plenty of times too.
Alice!
Alice!
Why?
Don't stick so close in front of people.
It's not like I'm doing anything bad, right?

A different self existing in a parallel time axis.
I knew they were basically separate, but there were too many common traits between them to call them completely different people.
But they aren't exactly the same either.
I wonder if this would be considered cheating.
munch
Gasp!
IN THE FIRST PLACE, WE WEREN'T A COUPLE!
HE WAS JUST A FRIEND, A FRIEND!
?
shake
shake
I was just being hypothetical when thinking about cheating and stuff.
It's not like we have that type of relation-ship...
Making excuses to herself.

He had opened his heart to me. That's what I had believed...
Through the time spent in the Country of Hearts and Clover, the distance between us had grown smaller.
When I met them in the Country of Diamonds I was puzzled,
...and the way they treated me made me feel lonely.
That woman is an outsider.
But now,
I'm starting to also get accustomed to everyone in the Country of Diamonds...
That's right.

There's nothing strange about it.
Every-thing in this world is a replaceable existence.
You'll slowly stop remembering about previous countries.
Sooner or later you'll grow used to coping with replacements.
And eventually, you'll also...

Alice?
Spacing out again?
Oh?
What was I thinking about....
Ah!
This carrot cake is unexpectedly delicious.
Really?
!!
Gimme a bite.
Ahn

ba-dump
I have to feed Elliot? With my own hand?
ba-dump
But... Um....
This situation is just...
ba-dump
ba-dump
Eh?!
I already ate from that fork...
...TOO EMBARRASSING!!
Ah^^
blussssshhh

DON'T TRY TO FEED ME WEIRD CRAP!
STOP FUCKING WITH ME YOU BASTARDS!
What a shame~ A little longer and we would've managed to do it.
It really is annoying to see someone getting chummy with Big Sis.
I wonder why, Brother?
Phew
I was saved, thanks to Dee and Dum.
wham!
Eh? You ate it all?!

Thank you
for reading!
